- Sponsor a line member per hour, or donate a fixed amount.
- Please give fixed donations now. We will collect hourly pledges within 7 days of the end of event.
- For more information, see <u>www.nyline.org/starlight</u>

From April 30 to May 19, 2005, fans across the globe will come to New York City and wait in line at the Ziegfeld Theatre for the final movie in the "Star Wars" saga. NYLine will use the surrounding publicity to benefit the Starlight Starbright Children's Foundation. You can help too!

The Starlight Starbright Children's Foundation is an international nonprofit organization dedicated to brightening the lives of seriously ill children. In addition to its wish granting program, Starlight Starbright hosts hospital parties and sends sick children to the circus, sporting events and the theater. With help from generous people like you, NYLine has raised more than \$33,000 for Starlight since 1999.

NYLine's twist on the walkathon, the "Stand-A-Thon," will directly benefit the Starlight Starbright Fun Center program. Fun Centers contain a flat-screen television, a DVD player and a Nintendo GameCube console, all built into a cart that rolls up to a child's hospital bed. Hospitals request the \$3,250 units far more quickly than Starlight Starbright can supply them. In 2002, NYLine placed four Fun Centers in New York City area hospitals. Please help us top that by sponsoring line members, either for every

hour they spend in front of the Ziegfeld, or through a fixed donation. We thank you for your generous contribution!
